Dear Cousin Stefan:

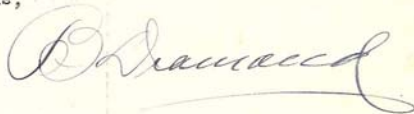

I have received all of your communications and was very happy to hear from you.

I met your friend Mr. Meisel, and on October 18th, I mailed you via airmail, two copies asking for a visa, and I have kept one for myself. I am holding this third copy until I hear from you telling me that you received your copies. When I receive your letter confirming the receipt of these copies, I will mail the third copy to you.

Please write a letter of thanks to Mr. Philip Diamond, whose address is 825 West End Avenue, New York, N. Y. thanking him for sending for a visa.

Please do not forget to write me at once when you receive the two copies I have sent you.

with kindest personal regards,

Dear Mr. Diamant:

I have received your letter in which you address me as dear uncle.

I am sure that I am not your uncle. We may be somewhat related, but I don't know how, unless you write me a letter explaining me the first name of your father and your father's father, so that I may have an idea of how we are related.

In spite of that I sent you an affidavit and I hope it will help you to come here very soon.

Hope to here from you at your earliest convenience, I remain,

Sincerely your relative,

Philip Diamond
